World-class Higher Education - Swiss made

The E.H.E. Europa Hochschule EurAka CH, internationally known as the private European University EurAka Switzerland, is an independent and private University for integral medicine, technology, and economics. The E.H.E. EurAka is situated in Therwil (Switzerland) and legalised by the Swiss Federal Republic and the Canton Basel-Landschaft as private University. The status of the private EurAka University is officially confirmed as 'non-contributory private institution' according to the Swiss Higher Education Act (HFKG). The E.H.E. The E.H.E. EurAka was constituted in 1985. Upon recommendation by the State-Council of the Swiss Republic and the Canton Ticino, the E.H.E. EurAka has received official Degree Awarding Powers in the year 2000. The status of Degree and Research Degree Awarding Powers was reappraised by the country's various regulatory authorities in 2016, such as the Dipartimento della cultura e dell' educazione dello Sport, Ticino, and the Canton Basel Landschaft. They concluded that the E.H.E. Europa Hochschule EurAka CH is fully aligned with the laws of Switzerland and thus officially approved as Swiss "Hochschule on the level of University".

Switzerland itself is aligned with the so-called Bologna Process of the European Union making Degrees of the University approved across Europe and beyond. Hence, the E.H.E. EurAka awards Degrees with ECTS credits.

Regional E.H.E. EurAka Centres around the Globe

Delivering studies in often very distant countries means trust first of all. Students have to trust that they are getting the same high quality as if studying with the E.H.E. EurAka herself. The University must have the confidence that national centres of studies are exactly delivering this same quality.

This is not just a question of equality regarding graduates' skills and knowledge, it also is prerequisite regarding applicable regulations, in the E.H.E. EurAka's country of origin and additionally, in the host country of delivery.

To assure such equal quality, the E.H.E. EurAka collaborates with carefully selected partner institutes in Africa, Asia, and Europe.

The same quality of studies is of utmost importance, because all students are awarded with the same Swiss degree. The E.H.E. EurAka takes her responsibility very seriously. Therefore, students' welfare and progress are permanently monitored. Furthermore, all our regional partner centres being entrusted with the delivery of our programmes of studies are receiving direct support for that students can study with confidence in the quality of their studies.

The E.H.E. EurAka has established internationally acknowledged academic standards according to DIN EN ISO / IEC 17024.

Hotel Management ~ A Centre of the Hospitality Industry

Hotels deliver a service, which is of highest importance to all travellers. A hotel can be small or big; it can belong to a chain or be independent; it can be one star or five stars - one aspect does not change: Guests want to find what they expect. At the same time, there is the need for profitability regarding shareholders and there is staff, who expects good working conditions.

Exactly these multiple expectations are the reason, why this programme of studies is designed as an MBA programme. Multiple responsibilities for a variety of different constituents request that the seasoned hotel manager acts in the interest of guests, shareholders, and staff equally.

Instead of being a specialist in a specific area only, this MBA consequentially delivers cross-functional knowledge and skills delivering the right service-orientation at the same time. When both come together, shareholders will benefit nearly automatically.

Ten carefully selected modules introduce students to a wide range of subjects. The Master's thesis tests the comprehensive understanding students have gained during their studies. Always, the E.H.E. EurAka takes greatest care that latest knowledge is delivered. This objective is guaranteed here as well. However, all theory embedded is delivered with the right view on best practice. The E.H.E. EurAka aspires to educate the informed manager. It follows Peter Drucker's words: 'Management is doing things right; leadership is doing the right things.'
